

Welcome!

ArtEZ University of the Arts is organising open days in Arnhem, Enschede and Zwolle, where the visual arts, design, fashion, architecture, music, dance and theatre programmes will be presenting themselves.

Today you can get a taste of the atmosphere of this special location in Arnhem and take a look behind the scenes of the various ArtEZ programmes.

This handout lists all the necessary information about the presentations and exhibitions of all programmes within the Faculty of Art & Design; Fashion Design, Graphic Design, Interaction Design, Product Design, Fine Art, Creative Writing and Fine Art & Design in Education.

Teachers and students are present to tell you about the various curricula and show their work and approach.

We wish you an inspiring day!

Workshops

Workshops play an important role at ArtEZ. The workshops are run by knowledgeable teachers, technical instructors and workshop assistants. They supervise the students' work.

In the **Rietveld building**, side wing, second and third floor, you will find the following workshops: Soft- & Hardware Lab, Computer workshop, Fashion workshop, Ceramics workshop, Graphics and the (screen) print shop. The Photography workshop and the paper shop are located in the basement and can be accessed via the entrance to the underground Theatrum.

A bookbinding course for ArtEZ students will be given at the paper shop during the open day.

Oude Kraan 26 houses the Digital, Wood, Metal and Audiovisual workshops and the shop.
