

Welcome at Art & Design in Arnhem

ArtEZ University of the Arts is organising open days in Arnhem, Enschede and Zwolle, where the visual arts, design, fashion, architecture, music, dance and theatre programmes will be presenting themselves.

Today you can get a taste of the atmosphere of this special location in Arnhem and take a look behind the scenes of the various ArtEZ programmes.

This handout lists all the necessary information about the presentations and exhibitions of all programmes within the ArtEZ Academy of Art & Design Arnhem:

- Fashion Design
- Graphic Design (GDA)
- Design Art Technology (DAT)
- Product Design
- BEAR Fine Art (Base for Experiment Art and Research)
- Creative Writing
- Docent Beeldende Kunst en Vormgeving (Fine Art & Design in Education)

Teaching staff and students are present to tell you about the various curricula and showcase their works and approaches.

We wish you an inspiring day!

Presentations and information rounds in the Rietveld building (Onderlangs 9) and the annexes Oude Kraan 26 and Oude Kraan 74.

Workshops (werkplaatsen)

Workshops play an important role at ArtEZ. The workshops are run by technical instructors and workshop assistants. They guide students during the creation of their work. They think along in their creative process and contribute technical solutions.

In the Rietveld building, side wing and second floor, you will find the following workshops: Computer workshop, Photography workshop, Fashion atelier, Ceramic & Liquid Plastics workshop, Graphic Art workshop, Digital Printing & Silkscreen workshop and Paper shop. The Photography workshop is located in the basement and can be accessed via the entrance to the underground Theatrum.

Oude Kraan 26 houses: Digital workshop, Wood workshop, Metal workshop, Shoes & Leather workshop, Hard- en Software lab, Audiovisual workshop and Central shop.
