Motivation form Pre-Master of Music Therapy

Admission Pre-Master of Music Therapy • Course year 2020/2021

Procedure

- Enrolment is possible by uploading the completed motivation form in [ArtEZ Osiris](#). Enrolments after 1 May will only be processed if a sufficient number of study spaces are still available. For applications after this date we can not guarantee audition time.
- Read the Pre-Master of Music Therapy Manual carefully before you fill out your motivation form.
- In case you have any questions, please contact the Education Office: conservatorium.enschede@artez.nl. If necessary they will connect you with the coordinator of the Master of Music Therapy programme.
- The assessment planner sends your plan to the members of the Evaluation Committee and the coordinator of the Pre-Master of Music Therapy.
- The assessment planner schedules your motivation interview and if applicable your musical entrance audition.
- Your motivation form is the base for the motivation interview. Besides, it will offer you the opportunity to ask questions about the study. The interview takes place *before* your musical entrance audition if applicable.
- Your musical entrance audition can only take place if your motivation interview was successful.
