<ul style="list-style-type: none">• The Final Test and Course Evaluation will be posted to the training materials page immediately following the training• Participants will have 30 days to complete the Final Test and Course Evaluation	

This International Training Program of the Academy is endorsed by the World Federation of Neurologic Rehabilitation (WFNR), by the European Federation of Neurorehabilitation Societies (EFNS), and the International Society for Clinical Neuromusicology (CNM). Training is also approved by the U.S. Certification Board for Music Therapists (CBMT) as advanced provider for Continuing Music Therapy Education (CMTE) credits [The Academy for Neurologic Music Therapy, #P-105, maintains responsibility for program quality and adherence to CBMT policies and criteria].

The 31-hour Institute will provide the board-certified music therapist with 37 CMTE credits that can be applied towards recertification. Your certificate of completion can be submitted as proof of your attendance and participation. Completion of this course does not ensure that the participant is currently a Board Certified Music Therapist (MT-BC). Verify music therapy board certification status at www.cbmt.org
