

ArtEZ University of the Arts

Use this information to help you plan your monthly budget. Also take a look at the average costs of living in the Netherlands. Use Google or [Study in NL](#) to find out more about the living expenses in your destination. **Make sure you save the form first, when you click on the 'study in NL' link, you will lose the information on your budget plan.**

MY EXPECTED INCOME PER MONTH

Do you expect to work besides your study?

If yes, income from work

Be aware of the maximum amount of hours you can work in The Netherlands as an international student

Income requirement

This is proof that you can support yourself financially in the Netherlands. We will refund this amount as soon as you have a Dutch bank account. The amount does not include school or college fees. The amount changes every year on 1 January

Budget

Maybe your income is more than your expenses. You have money left to save or spend. Maybe your expenses are more than your income. Look at your budget to find expenses to cut.
