

Exchange

In this document, you will find a list of courses available to you as an exchange student. You will be able to see what year or semester you will be able to apply for.

Please note: you'll be able to apply as a fourth-year student for an exchange in the third year, but you cannot apply for a semester that isn't on the list as there won't be a programme available for you at that time.

Semester 1 (autumn): 1 September – 31 January
Semester 2 (spring): 1 February – 31 Augustus

(Exact dates may vary slightly depending on the course)

Please be aware that a number of courses at ArtEZ are in Dutch. A minimum level of Dutch understanding and speaking is required. In the list below, you will find the main language of instruction.
