

ArtEZ University of the Arts

ENROLMENT CRITERIA

If you have successfully completed your entrance examination/audition, the Student Affairs Department will send you a letter to confirm your eligibility for admission. After receiving this letter you can complete your enrolment at ArtEZ.

Note: you will not be able to fill out the payment authorisation in Studielink until mid-June.

You must meet the following enrolment criteria **no later than 31 August** to be able to start your study at ArtEZ.

- **Language requirements**

All study programmes have language requirements. Visit [ArtEZ.nl](https://www.artez.nl) to see the language requirements which apply to your programme. When applicable, send a copy of your language certificate to the Student Affairs Department (studentaffairs@artez.nl). This copy must be received by this department no later than 31 August.

- **Verification of personal details**

In most cases your personal details are verified by Studielink through the Municipal Personal Records Database (BRP). If you are not registered in the BRP you will receive an email with the request to send a copy of your ID or passport to the Student Affairs Department. This copy must be received by this department no later than 31 August.

- **Previous education**

Eligibility for a study in higher professional education (HBO) requires that you have successfully completed your training in senior general secondary education (havo), pre-university education (vwo) or senior secondary vocational education, level 4 (mbo-4); for a Master's programme the minimum requirement is a completed Bachelor's programme or the equivalent. DUO will check your prior training details. If DUO is unable to verify your previous educational details, you will receive an email with the request to send a copy of your diploma and grade transcript to the Student Affairs Department. This copy must be received by this department no later than 31 August.

- **Payment of tuition fees**

You can check your payable tuition fees yourself using the [Tuition fee calculator](#). All students will be notified in June by the Student Affairs Department regarding payment of tuition fees. This payment must be arranged no later than 31 August.

We remind you that you are responsible for meeting the enrolment criteria **no later than 31 August**. You can keep track of the status of your enrolment in Studielink.
