ArtEZ talent Scholarship for Non-EU/EEA Students

For the study year 2018-2019 ArtEZ has the honour of offering the brightest and most excellent students from outside the European Economic Area an ArtEZ scholarship. The scholarships will be granted solely to new students, choosing to start their study in September 2018 and paying the higher tuition fee.

The scholarship amounts to €5.000,- per chosen student, per year, for the duration of the degree course. The scholarship is paid (or subtracted from the tuition fee), at the beginning of each study year, if and when, the student advances to the next study year.

To be eligible you must have passed the entrance exam and have been accepted into an ArtEZ degree course. The head of the ArtEZ course to which you have successfully applied, must justify your talent. Each course may specify their own criteria to characterize “rare talent”.

Application deadlines:
